Save the date: Trunk or Treat October 27th

Save the date for Sunday, October 27th -- the Sunday before Halloween.

Traditionally, trunk or treat has been the night before Halloween. However, this year we are trying something new as a result of some feedback by our members and holding it on the Sunday before Halloween. This will give many volunteers the chance to decorate their trunk during the weekend instead of after work/school on a weekday night. We hope this will help increase the number of volunteers since we always need more trunks!!

Are you interested in volunteering? Cash prizes will be given out to the top three trunks!! Here are the details:

Trunk or Treat is on Sunday, October 27th. Set up will begin at 5:00 PM in the parking lot at the clubhouse and we are open for business at 6:30 PM.

Please say yes and let Silvia McClung know that you'll volunteer a "trunk" on October 27th. Contact her at JeffandSilvia@comcast.net

What you should bring:

- Decorations and decorating supplies and don't forget tape, scissors, matches, etc.
- Extension cords. If you require power please bring an outdoor extension cord.
- Please let us know if you have any special requirements for your set up.
- If trunk providers would like to donate a couple bags of candy to supplement the BPIC provided candy, it would be greatly appreciated.

When: Setup at 5 pm, Trunk or Treat at 6:30 pm on Sunday, Oct. 27th

Where: Browns Point Clubhouse parking lot

Save the date: Family Spaghetti Feed & Turkey Bingo November 23rd

SAVE THE DATE -- the first annual Family Spaghetti Feed & Turkey Bingo

110th Anniversary of Browns Point to be Celebrated September 21st

Points Northeast Historical Society and St. Matthew Episcopal Church are collaborating to present some events from 1-4 pm on Saturday, Sept. 21 to commemorate significant dates in the history of Browns Point.

In 1903, the first (wood) lighthouse was dedicated and the name of the area was officially changed from Point Brown to Browns Points. St Matthew was established as a mission church on September 21, 1951 and annually celebrates St Matthew Name Day in

September. Organizers hope that by helping people learn more about the history of our area it will strengthen the sense community.

Included in the celebration at the Lighthouse Park will be a special opening of the Lighthouse historic facilities, with docent led tours of the lightkeepers cottage and history museum and special exhibits in the boat house, bell house and a birthday cake.

At St Matthew church from 3-6 pm will be a history program, with exhibits (3-6 pm) including tours in the restored original Hyada Park Real Estate Office, and a slide/talk (4:30-5:15) noting important developments in early history of Browns Point.

St Matthew is celebrating their history with a BBQ and pies at 5:30 that represent part of the history of this area following the historical presentations.

For information leave a message at: 253-927-2536.
